Jaybird: My Indian friend in the forest.

Rebekah: One of my only real family members.

Martha: She is like my mother.

Tobias: Rebekah's husband (I like him a lot because he named his child after me).

Jonah: He's an old man but we like to discover different plants for history.

About Me:

I like exploring and finding things in the forest. I always hangout with my friend Jaybird (He's an Indian). He and I meet each other in the forest. So far he has taught me many things like the call of the Jaybird. He calls me *mahigan shkúizhig* (eyes of wolf).

My name is Mary Newbury I have brown hair and I am very adventurous. I live in the forest now they kicked me out of town because they have found out that I was a witch. Or as the town people "spawn of the devil" Or "Witch child". But who cares what they think I still think I'm a good person. Its winter now and its getting cold and I have no where to go. I still have Jaybird though, I hope.
